**STATE BOUNDARY COMMISSION DOCKET # 06-I-3**

**PETITION PROPOSING THE INCORPORATION  
OF THE VILLAGE OF OXFORD AS A HOME RULE CITY**

**Oakland County**

Dear Involved Parties and Boundary Commissioners:

You recently received a notification that the above petition was filed with the State Boundary Commission. **A copy of this petition is now enclosed.**

In order to replicate the exact size of the Part I map that was submitted with the petition, it had to be copied on two separate pages and taped together. The copy machines in our office could not accommodate the full size of the original map (13" x 14") on one page.

Although no exact date has been set for the determination of legal sufficiency by the Boundary Commission, it will, however, be scheduled in the early months of the new year. The involved parties will be contacted and notified prior to scheduling this docket on the commission agenda.

If you have any questions, please feel free to contact me directly either by telephone (517-335-3439), or by e-mail ([caholme@michigan.gov](mailto:caholme@michigan.gov)).

Sincerely,

Christine A. Holmes

## PETITION FOR CITY INCORPORATION

OFFICE OF POLICY & LEGISLATIVE AFFAIRS  
STATE BOUNDARY COMMISSION

## PART V

We petition for the City Incorporation of the Village of Oxford to become a Home Rule City containing a population of 2,000 or more and an average population of 500 per square mile.

We further represent that the incorporation proposed in this petition is necessary or desirable at this time for the following reason(s):

For over 100 years, the people of the Village of Oxford have formed the nucleus of the community of Oxford. The Village of Oxford has planned, built, maintained, and constantly preserved the basic services vital to any community.

Briefly listed are the capital investments and services provided to Village residents:

**Water** – Water mains and corresponding services which include iron removal and a softening plant, as well as a 500K gallon elevated water storage tank. Water service is provided to the entire Village.

**Sewer** – Sanitary sewer lines and corresponding maintenance. Sewer service is provided to the entire Village.

**Streets** – 15+ miles of paved streets. Full maintenance, including snow removal. There are no unpaved streets within the Village.

**Fire Protection** – State-of-the-art fire station constructed in 2005. ISO rating of 7; Services include ALS and EMS.

**Public Works** – Five thousand square foot DPW garage with full fleet.

**Police Protection** – Police station, vehicle fleet, communication system (dispatcher).

**Rubbish Removal** – No capital outlay; contracted service with Waste Management.

**Local Administration** – Full-time Manager, Clerk/Treasurer/Assistant Manager, Utility Billing Clerk, \_\_\_\_\_ Clerk & Building Inspector.

**Parks & Recreation** – Half (.5) acre Centennial Park located downtown; Nineteen (19) acre Scriptor Park with beach, picnic area, and two (2) ball fields.

**Parking Lots** – Ample free municipal parking located downtown.

We, the people of the Village of Oxford, feel the time has come wherein we need to safeguard these capital investments and guarantee the continuance of the services currently provided.

Cityhood is necessary to prevent potential encroachment by other governmental units and to prevent the overbearing additional taxation from those units of government that do not provide necessary or additional services. The new City of Oxford would be responsible for property assessment and all elections (including voter registration) while eliminating the present Township mileage.

Cityhood would allow the citizens of Oxford to elect those who govern them directly. They would no longer be subjected to the constantly conflicting policies and attitudes, nor would they be required to subsidize overlapping services between the Village of Oxford and the Township of Oxford.

We, the people of the Village of Oxford, hereby petition the State of Michigan to be allowed to hold the necessary election to become a City, to elect a Charter Commission, and revise our present Village Charter to a City Charter under the Home Rule Act.
